What are EMS Advisories?

EMS Advisories will be used as a method of providing information and communications to the Oakland County EMS System. Each advisory will contain an advisory number for future reference and record. Please consider these advisories as official communications.

What information will be shared via EMS Advisories?

- Protocol Notices
- Medication Recalls
- Equipment Updates
- Educational Updates
- Protocol Clarification
- Important MCA Communications

Who should review the EMS Advisories?

EMS Advisories should be shared with all EMS Providers in the Oakland County EMS System. These Advisories will be sent to the EMS Coordinators and Leadership in the Oakland County EMS System. They will also be posted on the OCMCA website under the protocols area. Once received this information should be shared with their respective personnel and posted in common areas.

As always, if you have any questions or concerns please feel free to contact the OCMCA.
