Currently in our 2011 EMS Protocol Manual, there is a State Refusal of Care Protocol under General Procedures, Section 5-22 **and** an Oakland County Refusal of Care/Transportation under System Protocols, Section 6-23, which conflicts with the State version.

Since refusals of medical care and transportation are one of the biggest liabilities for EMS providers, it has been determined that we need to delete the Oakland County Refusal of Care protocol in the System Section 6-23 and keep the State version in Section 5-22.

The Oakland County Refusal of Care protocol will be deleted from the Protocols on our website. Please have your personnel pull this protocol from their manuals as soon as possible.

As always, if you have any questions or concerns please feel free to contact the OCMCA at 248 975-9704.

**PLEASE DELETE OR PULL FROM YOUR MANUAL THE  
REFUSAL OF CARE/TRANSPORTATION PROTOCOL IN SYSTEM  
SECTION 6-23**
