**ATTENTION Oakland County EMS**

MDHHS released Version 2 of the MI-MEDIC. The new cards are based on the 2017 State of Michigan EMS Protocols, which have not yet been released. There are minor dosing variances between the current pediatric protocols and the MI-MEDIC. Continue to follow the current pediatric treatment and cardiac protocols, but utilize MI-MEDIC to determine drug dosing, when indicated.

The new Michigan EMS protocols should be released this fall.
