ATTENTION Oakland County EMS & Hospitals

Several protocols have been updated, as indicated below, along with the development of a new Croup protocol, for the use of Racepinephrine 2.25% that was placed in our new drug box in May, 2017. The following protocols will be implemented on **August 1, 2017**, and will be available on the OCMCA website by July 28.

Croup Protocol: New protocol. Education will be sent out the week of July 24th. Paramedics may begin using Racepinephrine on August 1, 2017.

Transportation Protocol: Updated appendices only.

Naloxone Protocols (for BLS and MFR LSA's only): Since the study ended, the administration protocol has added Narcan Nasal Spray as an option. The exchange protocol was also updated. Please note that the mandate for carrying Naloxone on BLS and MFR units will be optional in October. More to come.

Equipment Protocol: Updated protocol to include new optional equipment.

EQIP Protocol: Updated.

If you have any questions, please contact us at 248 975-9704.
Thank you for your help and support.
