**ATTENTION Oakland County EMS**

Effective October 15, 2017, the MFR/BLS Opioid Overdose Naloxone Administration Protocol (5-39) is **OPTIONAL**. Each LSA in Oakland County may continue or discontinue carrying the Naloxone Kit on a BLS or MFR vehicle. If you continue to carry the Naloxone Kits, the Exchange Procedure (6-33) will still be in effect.

The State (MDHHS) is mandating that we give them a list of LSA's that elect to **NOT** carry Naloxone Kits on BLS and MFR vehicles. Please email me with your decision as to carry or not carry as soon as possible (no later than October 31). Again, this only affects BLS and MFR licensed vehicles.

If you have any questions, please contact me at 248 975-9704. Thank you for your help and support.

**PLEASE CONTACT THE OCMCA WITH ANY QUESTIONS OR CONCERNS**
