ATTENTION Oakland County EMS CE Sponsorship Users

It has been brought to our attention that the OCMCA CE Sponsorship program has not satisfied the MDHHS program sponsorship course evaluation requirements. Therefore, our renewal application was not approved. The good news is we are submitting a new application and should be back online during the first week of May.

From May 1 and until we are State-approved, our CE courses will not be valid.

We will be updating our evaluation process with our new Sponsorship, so more to come at that time. Again, we should be approved shortly after May 1, but until you receive our new CE Sponsorship approval certificate, you may not obtain credits for classes conducted after April 30, 2018. A big thank you to our Education Task Force members for helping us through this process!

If you have any questions, please contact me at 248 975-9704. Thank you for your help and support.
