COVID-19 EMERGENCY PROTOCOL UPDATE

EFFECTIVE IMMEDIATELY: With the State sending out revised and new Emergency Protocols last week, we reviewed each protocol and decided NOT to update or approve any of the protocols. In keeping with our desire to keep our promise to true adaptability as we learn about this virus, the four following Emergency Protocols have been **deleted**:

8-38 Destination and Transport for Patients at Risk for Coronavirus Disease

8-43 Privileging and Participating Facilities Release During COVID-19 Response

8-46 Decision to Transport During COVID-19

8-47 Staffing and Downgrading of Vehicles during COVID-19 Crisis

The remainder of our Emergency Protocols (8-37, 8-39, 8-41, 8-42, 8-45, 8-48, 8-49) remain in effect and have not been changed.

Thank you to all our providers for being so flexible during these uncertain times. If you have any questions, please contact the OCMCA at 248 975-9704.
